Time: 5:30 – 6:30 PM

AGENDA

Monday, January 6, 2020

1. APPROVAL OF NOVEMBER 2019 MEETING MINUTES

2. TASKS FROM LAST MEETING

Ms. Klevens

- Submit letter to School about the Lead Testing in schools – *continued*.
- Contact the Dunbarton Elementary School to ensure that sink was remediated and retested in accordance with Lead Bill SB247.
- Contact the last daycare (Rockwood Acres on Clough Rd) to obtain their lead testing results.

Mr. Gourley

- Check the area around Municipal well for possible Chloride contamination sources.

Mr. Taylor

- Check with the Town Manager to see if it would be possible to do additional testing water testing for the Municipal well on a monthly basis.
- Forward Committee comments on the water extension feasibility study to Dubois & King.

Mr. Bertrand / Whitewater Inc.

- Share chloride and conductivity monitoring data for the Municipal wells.

3. OLD BUSINESS

See tasks above.

4. NEW BUSINESS

- Committee Objectives for 2020

Next Meeting – **February 3, 2020 at 5:30 pm**. What topics should be covered?
