

How can I find out more information about candidates for Town of Bow elected positions?

- 1. Attend the Candidate Meet & Greet night at the Baker Free Library, Thursday 2/18 at 6:30 p.m.** Each candidate will have 5 minutes to speak about themselves and why they are running; after all candidates have spoken, the public can ask candidates questions.
- 2. Visit the Library or the Library's web site after 2/10 for a Candidate Information Packet,** which includes information given to us by the candidates for publication. If a candidate did not supply us with information, only their name and position they are running for will be listed.
