

## Bow Residential Recycling & Solid Waste Service Guide

This Service Guide contains important dates and collection information  
Please read and keep this Information

### RECYCLING COMMITTEE

The Recycling and Solid Waste Committee is comprised of all volunteer residents of Bow. Meetings are held the 1st Tuesday of each month, at 7:30 pm at the Municipal Building. The Committee serves as a sounding board for the community for matters dealing with recycling and solid waste. The committee's regular duties include:

- Coordinating the Town's Household Hazardous Waste Day collection, including review of bid proposals and assistance to obtain state grants (up to \$2,500) to defray part of the collection costs.
- Promoting recycling and conservation education in Bow Schools.

#### Contact the Recycling Committee

Email: bowrecycles@gmail.com

Mailing Address: 10 Grandview Rd. Bow, NH 03304

### PICK-UP OF BULKY ITEMS

Bow residents have two options regarding bulky items.

Bring to the Concord Transfer Station

77 Old Turnpike Road, Concord (fees may apply)

(603) 224-0890

- OR -

For curbside collection,

call Pinard Waste Systems (fees apply)

1-800-675-7933

### HOLIDAY SCHEDULE

Within the holiday week, trash collection will occur on schedule on the days preceding the holiday. Collections scheduled for the holiday, as well as the remainder of the week will be delayed one day. When a holiday falls on a Friday, Saturday, or Sunday, there will be no impact on the collection schedule.

*Ex: Thanksgiving falls on a Thursday. Customers with scheduled collections Monday through Wednesday of that week will not be affected. Thursday's collections will occur on Friday, & Friday's collections will occur on Saturday.*

#### Collection will be delayed for the following holidays:

- New Year's Day
- Memorial Day
- 4th of July
- Labor Day
- Thanksgiving
- Christmas Day

## HOUSEHOLD HAZARDOUS WASTE & ELECTRONICS RECYCLING DAY ANNUALLY, ON A SATURDAY IN OCTOBER • 8:30 AM - 1:00 PM

Bow Community Building (Intersection of Logging Hill, Bow Center & Knox Roads)

Bring any of the following residential waste for NO CHARGE (Fees will apply for electronics):

**AUTOMOTIVE:** auto batteries, brake, transmission & power steering fluid, antifreeze, used motor oil.

**BATTERIES:** rechargeable & NiCad and other batteries containing heavy metals.

**CLEANERS:** drain & oven cleaners, degreasers, metal polishers, rug & upholstery cleaners, disinfectants, ammonia, air fresheners

**COMPACT FLUORESCENT LIGHTBULBS:** If broken, contain bulb in a lidded glass jar and store in nonliving area (ie in garage) until hazardous waste day. Bulbs are accepted at Hazardous Waste Day and, if intact, year-round at Home Depot and Ace Hardware.

**ELECTRONICS (fees apply):** all computer components, printers, cellular and regular telephones, TVs & other electronics (VCRs, DVD players, etc.)

#### MERCURY THERMOMETERS & THERMOSTATS

**PAINTS:** oil paint lacquer, stains, and other finishes paint removers, turpentine, furniture strippers

**PESTICIDES/INSECTICIDES:** for pets, pests, yards/gardens

**SNEAKERS:** for recycling into playground surfaces. Any brand, no metal parts.

**OTHER:** household chemicals (e.g., toxic glues), pool chemicals, driveway sealer

#### \*\*\* DO NOT BRING THE FOLLOWING\*\*\*

Latex paint or household alkaline batteries (these go in regular curbside trash; paint must be DRY AND SOLID (can use kitty litter, sand, etc. to solidify), propane tanks, building materials & air conditioners (bring to Concord Transfer Station); computer printer cartridges (bring to Bow Middle School), prescription drugs (go in regular trash), explosives, radioactive wastes, asbestos products and medical wastes (require special handling).

# About Single Stream Recycling

Metal cans & Aluminum foil

#1 - 7 Plastic food & beverage containers and Rigid Plastics

Phone books

Cartons

Corrugated cardboard & Paper bags (flattened)

Greeting cards, regular & junk mail

Cardboard beverage carriers

Newspapers, magazines, brochures & inserts (no bags, do not tie & bundle)

Paperboard boxes (cereal, pasta & tissue)

## PAPER

- Newspaper / Magazines
- Paperback books
- Egg cartons
- Cup travel trays
- Mixed and/or shredded office paper
- Junk mail (plastic window okay)
- Corrugated cardboard
- Boxboard/Paperboard (i.e. cereal boxes, free of plastic & wax lining)

### PREPARATION:

- Shredded paper must be confined in a paper bag.
- Cardboard must fit within the cart. Best practice: Flatten boxes and keep aside until collection day. Place boxes inside the cart ontop of other recyclables.

## NON-PAPER

- All plastic containers #1-#7 (i.e. beverage containers, tubs, laundry detergent containers, etc.)
- Glass containers used for foods and beverages ONLY (any color)
- Aluminum, tin, and steel cans
- Metal lids to jars or bottles
- Aluminum foil, disposable pie tins, & aluminum baking trays

### PREPARATION:

- All recyclables should be rinsed free of residue. Labels may remain.
- Glass should be unbroken.

Glass bottles & jars

File folders, office paper

Loose metal jar lids & steel bottle caps

Paper towel rolls

Paperback books

## PLEASE NO:

- plastic bags
- garbage
- yard waste
- styrofoam of any kind (packing material, coffee cups, meat trays, etc.)
- ceramics or dishes
- motor oil containers
- hazardous waste
- light bulbs
- plate glass

If you have any questions regarding recycling in the Town of Bow, please feel free to contact the Recycling Committee via email. [bowrecycles@gmail.com](mailto:bowrecycles@gmail.com).

## ITEMS REQUIRING SPECIAL HANDLING

If you have questions about whether an item requires special handling, or for disposal instructions, please contact Pinard Waste Systems at (800) 675-7933 or the NH Department of Environmental Services, (603) 271-2900.

### New Law: Fluorescents & Mercury-Containing Items

As of January 1st, 2008 New Hampshire State Law prohibits throwing items containing mercury (thermometers, thermostats, fluorescent bulbs) into the trash. Mercury is a very toxic substance and requires special handling.

**KEEP FLUORESCENT BULBS, COMPACT FLUORESCENT BULBS, THERMOMETERS, AND THERMOSTATS OUT OF YOUR TRASH!**

# Important Information

## DETAILS ABOUT YOUR CURBSIDE COLLECTION PROGRAM

### Trash Collection: FREE CART Provided by the Town

Each residence may place ONE town-provided 65-gallon cart curbside weekly for trash collection. Remember that all trash **MUST BE BAGGED** before being placed in the cart. If your household generates additional trash that cannot be handled with one cart, you may subscribe to overflow trash service from Pinard Waste Systems (see below). Items left outside of the cart **WILL NOT BE COLLECTED**. If your household has additional carts, please contact the Town of Bow Public Works Department, 12 Robinson Road, (603) 228-2207 to have them removed.

### Overflow Trash Collection: SUBSCRIPTION SERVICE through Pinard Waste Systems

Recyclable material makes up, on average, 60% of household waste. By recycling everything our program allows, the cart provided by the Town should be sufficient for most residents' trash needs. For those with greater trash needs Pinard Waste Systems is providing overflow service for an annual fee of \$150. **The subscription period will run from May 1st - April 30th, and pro-rated for those subscribing after the start date.** Subscription customers will receive a second cart, with a yellow lid, which can be placed curbside along with the cart provided by the Town. At the end of the subscription period, if you choose NOT to renew, Pinard will remove the cart. **To sign up for subscription service, visit [www.pinardwaste.com](http://www.pinardwaste.com) and click "Bow Overflow Subscription Request" under the Municipal tab, or call (800) 675-7933.**

### BLUE CARTS: Single Stream Recycling

Single Stream Recycling is a program that allows you to place all of your recyclables in one bin - **NO MORE SORTING!** All recyclables must be placed **IN** the collection cart; items left outside the cart **WILL NOT BE COLLECTED**. If your family is in need of additional carts for recycling, Pinard Waste Systems can provide you with an additional recycling cart for a one-time fee of \$75 for a 65 gallon cart, or \$100 for a 95 gallon. Unlike the service described above, this fee is for the purchase of the cart, not an annual subscription. You will **NOT** need to contact Pinard Waste Systems annually to continue with the use of this cart. To order your additional recycling cart, simply call (800) 675-7933.

### Guidelines for Automated Collection

**Please read this resident user guide completely. It contains important program information.**

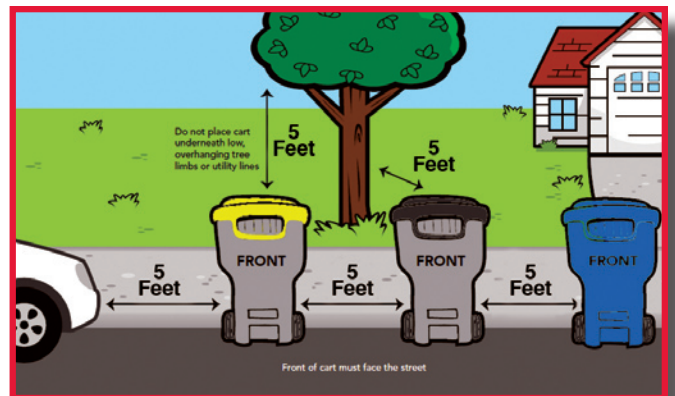

- All trash should be bagged and placed in a green cart with the lid closed.
- Trash left beside the cart or in other containers will not be collected.
- Collection carts must be set in an accessible location: At least 5 feet from any obstruction such as trees, telephone poles, parked cars, mailboxes, other carts, etc. Approximately 2 feet from the curb and away from low hanging utility lines.
- Carts that are inaccessible will not be serviced until the following week.
- The cart must be placed so that the handle faces the house.
- All carts must be at the curb **by 7:00 AM** on your collection day.
- No hazardous or building materials, yard waste, brush, or recyclables should be placed in trash carts.
- Blue recycling carts should be placed following the same guidelines as trash carts.

### Missing or Damaged Carts

If for some reason the cart is destroyed, a new cart will be provided free of charge upon the return of the damaged cart. Missing carts will be replaced upon notification to Pinard Waste Systems. Damaged carts will be repaired at no cost to the resident. Call Pinard Waste Systems at 1-800-675-7933. Please detail the nature of the needed repair. (Lid, wheel, etc.)

**Place collection cart 2 feet from curb, and at least 5 feet from any obstruction (ie. parked car, other carts, or a tree).**

**On one way streets, carts should be placed on the right-hand side of the street.**
