

**Town of Bow, NH
Board of Selectmen
FY2014-15 Goals and Objectives**

Adopted 7/8/14

ADMINISTRATIVE/FINANCIAL

1. Fire Department administration; prepare for hiring a full-time Fire Chief in FY 2014-15.
2. Municipal Building and Grounds projects capital reserve fund; seek Town Meeting approval to name Board of Selectmen as agents to expend
3. Digitize Town records

FACILITIES AND INFRASTRUCTURE

1. Continue work on the Public Safety Building project and seek funding approval for the project at the 2015 Town Meeting.
2. Recreational Needs Study Committee: The Board has formed this Committee to develop a near and long term plan for meeting the recreational needs of the community. The Committee is working with the Town and the School District to establish the uses of all the available recreational facility, which would include all the fields, gyms, and the future of Community Building.
3. Continue to seek alternatives to provide municipal water service to the properties in the Bow Junction area.
4. Complete the design phase of the Dunklee Road/Route 3A intersection re-alignment project - Construction tentatively scheduled to begin spring/summer 2015
5. Complete engineering study and design work on the Logging Hill/Knox Road intersection
6. Perform survey and existing conditions plan of the Bow Bog Meeting House property.

PERSONNEL

1. Review and study health insurance coverage options

PROGRAMS

1. Develop and implement an ADA Compliance plan for Town facilities and programs
2. Support and participate in the Town Master Plan update process
3. Host an annual meeting of Town Board, Committee and Commission chairs
4. Continue to host and attend joint meetings of the Board of Selectmen and the School Board
