§ 136-1. Purpose of plan.

- A. The purpose of this plan is to establish uniform administrative practices for all employees of the Town of Bow. This plan is not a contract and it does not create any legally enforceable right for any employee. All employees, except those employed pursuant to a written employment contract for a specified term or pursuant to a statute providing otherwise, are employed "at-will." This means that either the Town or the employee may terminate the employment relationship at any time, with or without cause.
- B. Employees covered under this plan will receive a copy of the plan and shall receive copies of new and/or amended policies as change(s) occur and shall acknowledge receipt of same.

§ 136-2. Administration of plan.

- A. It shall be the responsibility of the Board of Selectmen to establish the policies that comprise the plan.
- B. The Town Manager shall be responsible for the overall administration of the plan.
- C. Department heads shall be responsible for adherence to this plan within their departments. Department heads may adopt departmental policies not inconsistent with the policies established in this plan. Departmental policies shall become effective only upon the approval of the Town Manager.

§ 136-3. Equal Opportunity Policy.

- A. It is the policy of the Town of Bow to ensure equal employment opportunity for all employees and appointed representatives. This commitment includes a mandate to promote and afford equal treatment and services to all citizens, employees, and Town representatives, and to assure equal employment opportunity based on ability and fitness to all persons regardless of race, religion, color, creed, national origin, age, sex, sexual orientation, physical or mental disability, or marital status. The Town is committed to providing equal employment opportunities to qualified individuals with disabilities, which includes providing reasonable accommodation to qualified applicants to allow them to perform essential job duties.
- B. In general, it is the employee's responsibility to notify the Town of the need for an accommodation of any physical or mental disability which substantially limits a major life activity. When appropriate, the Town may need an employee's permission to obtain additional information from the employee's physician or other medical or rehabilitation professionals to document that the employee has a disability and to assist the Town in assessing any functional limitations for which a reasonable accommodation may be

needed. All medical information will be treated as confidential in accordance with the Americans with Disabilities Act (ADA). The Town will take all requests for accommodation seriously and will promptly determine whether the employee is a qualified individual with a disability and whether a reasonable accommodation exists which would allow the employee to perform essential functions of the job without imposing an undue hardship on the Town or other employees.

§ 136-4. Hiring process. [Amended 6-12-2012 by Board of Selectmen.]

- A. Recruitment. The Town Manager will be notified immediately of all position vacancies. The affected department may be asked to assist the Town Manager's Office, as necessary, in formulating job announcement ads. The Town Manager's Office will distribute to all Town departments copies of the job announcement for posting. Advertisements for placement in local newspapers, trade publications, and professional journals will be developed and placed by the Town Manager's Office, with assistance from the affected department.
- B. Promotions and Transfers. The Town strives to provide employees with the opportunity to make full use of their skills, interests and potential. To support employee growth and development, the Town will make every effort to promote qualified employees from within the Town, if possible, based upon the needs of the Town and employee qualifications.
- C. Residency. Applicants shall be citizens of the United States of America or hold proper certification that enables them to work in this country.
- D. Driver's license. Applicants for positions in which the applicant is expected to operate a motor vehicle must be at least 18 years old and will be required to present a valid state driver's license with any necessary endorsements. Driving records of applicants may be checked. Applicants with poor driving records, as determined by the Town, may be disqualified for employment with the Town in positions requiring driving.
- E. Pre-employment examination. The Town may administer pre-employment examinations to test the qualifications and ability of applicants, as determined necessary by the Town. The Town may contract with any competent agency or individual to prepare and/or administer these examinations.
- F. Interviews/appointments. The department head will review the applications that are submitted and conduct interviews of candidates. The department head will then present a final candidate to the Town Manager for his/her review and action.
- G. Criminal background check. Once an applicant has been extended an offer of employment, a background investigation, to include a criminal background check, will be conducted.

PERSONNEL PLAN

H. Physical examination. The Town may require persons selected for employment to undergo a medical examination, which may include testing for alcohol and controlled substances. The purpose of the examination is to determine if the individual is physically able to perform the job and to ensure their physical condition will not endanger the health, safety or well-being of other employees or the public. The offer of employment may be conditioned on the results of the examination. A candidate may be disqualified from consideration if:

- (1) Found physically unable to perform the duties of the position and the individual's disability cannot reasonably be accommodated in the workplace;
- (2) The candidate refuses to submit to a medical examination or complete medical history forms; or
- (3) If the exam reveals use of alcohol and/or controlled substances.

§ 136-5. Position descriptions.

- B. Employees shall receive a copy of their position description at the time of appointment.
- C. All position descriptions shall be retained at the Administration Department and are available for review.
- D. Any position description may be changed at the discretion of the Town Manager with such notice as he/she determines to be appropriate.

However, an exception can be made where the new employee's training, education and/or experience warrants a higher starting compensation, or when the prevailing market conditions require higher starting compensation.
- C. Employees may be eligible to advance through the steps of their pay range based on performance and upon the recommendation of their Department Head. The Town Manager shall approve step increases based on satisfactory evaluations (see § 136-15. Performance evaluations). All non-exempt employees shall be paid at 1.5 times their normal hourly rate for each hour or portion thereof actually worked in excess of forty (40) hours worked in a workweek, with the exception of employees who meet the Fair Labor Standards Act definition of employees working in fire protection activities. Employees in this category shall be paid at 1.5 times their normal hourly rate for each hour or portion thereof actually worked in excess of fifty-two (52) hours in any one work week by time and one-half in wages. Compensatory time for non-exempt employees shall be accrued at the same rate as cash payment and each hour of overtime worked is compensated by 1.5 hours of paid absence from work. Compensatory time may be accrued up to forty (40) hours; any overtime thereafter worked shall be paid in cash until the compensatory time balance has been reduced below forty (40) hours. With the department head's permission, compensatory time may be used for any purpose. When supervisors have agreed to pay compensatory time, the employee's time sheet must be clearly marked to show that the overtime is to be paid as compensatory time. When compensatory time has been taken, the time sheet shall indicate the number of hours taken on the appropriate date. Upon voluntary or involuntary termination, an employee will be compensated for all accrued comp time.
- E. Employees exempt from the overtime provisions of the Federal Fair Labor Standards Act (FLSA exempt) are expected to work whatever hours are necessary in order to complete their essential job functions and responsibilities. Generally, to meet these expectations, an exempt employee will need to work 40 or more hours per week. Exempt employees are not eligible to accumulate compensatory time. The Town Manager may permit time off when an exempt employee is required to work due to exceptional situations such as temporary high priority project assignments, performing work due to department vacancies or responding to emergency situations.

§ 136-13. Unauthorized absences.

The absence of an employee from duty for a day, or part of a day, that is not authorized by specific permission from the department head, will be deemed to be an absence without leave. Any such unexcused absence will be without pay and may be reason for disciplinary action.

Employees shall have the opportunity to review and comment on evaluations.

§ 136-16. Personnel files. [Amended 6-12-2012 by Board of Selectmen.]

- A. A file shall be maintained for each employee. The file maintained by the Finance Department shall be considered the employee's official file.
- B. An employee may inspect his/her own personnel file during regular office hours, upon reasonable request. However, the employee may not be permitted to review his/her personnel file if he/she is subject to an investigation at the time of the request and disclosure of such information would prejudice law enforcement. File inspection must be done on the employee's own time, and must be arranged through the Town Manager. An employee may not remove any portion of the file. Upon request, an employee will be provided with a copy of all or part of his/her personnel file.
- C. If an employee disagrees with any of the information contained in such file, he/she may submit a written statement explaining his/her version of the information together with evidence supporting such version. Dress requirements may vary by department; however, certain rules apply across the board to all employees. Employees should consult their supervisor if they have questions as to what constitutes proper attire. Exceptions may be granted to employees to accommodate religious or cultural factors or medical conditions. Employees who are inappropriately dressed may be sent home and required to return to work in acceptable attire. Under this circumstance, employees will not be paid for the time away from work.

§ 136-18. Smoking policy.

In order to accommodate employees, visitors, and vendors' interests the Town is committed to providing a safe, healthy, and smoke-free work environment. Consistent with state law, the Town has declared a no smoking policy within our buildings and in or on Town vehicles, except in designated smoking areas. Designated smoking areas will be properly posted and enforced by the appropriate Department Head. Employees may smoke only during authorized breaks and in designated areas. If an employee fails to comply with these rules, the employee shall be subject to disciplinary action, up to and including termination.

- B. Each Town employee who is authorized to carry a Town- owned cell phone may choose to use their own personal cell phone and receive a monthly stipend for such usage. The amount of the monthly stipend will be determined each year by the Town Manager. Only employees who are authorized to carry Town- owned cell phones will be eligible for this reimbursement. Failure to comply with this policy may result in disciplinary action, up to and including termination.

§ 136-21. Sexual and Anti-harassment policy.

- A. The Town of Bow believes that each individual employed by us has the right to be free from illegal discrimination or harassment because of race, creed, color, familial status, religion, national origin, age, sex, marital status, sexual orientation, physical or mental disability or veteran status. All employees should be able to work in an environment free from all forms of discrimination, intimidation and harassment, including sexual harassment. All employees must treat each other with courtesy, consideration and professionalism. To achieve our goal of providing a workplace free from sexual and other illegal harassment, the conduct that is described in this policy will not be tolerated and we have provided a procedure by which inappropriate conduct will be dealt with. Where inappropriate conduct is found, we will act promptly to eliminate the conduct and impose such corrective actions as are necessary including disciplinary action or termination where appropriate. Please note that while this policy sets forth our goals of promoting a workplace that is free of sexual or other illegal harassment, the policy is not designed or intended to limit our authority to discipline or take remedial action for workplace conduct which we deem unacceptable, regardless of whether that conduct satisfies the definition of illegal or sexual harassment.

TOWN OF BOW

B. Harassment refers to unreasonable conduct or behavior which is personally offensive or threatening, impairs morale, or interferes with the work effectiveness of employees. Examples of harassment include conduct or comments that threaten physical violence; offensive, unsolicited remarks; unwelcome gestures or physical contact, display or circulation of written materials, items or pictures degrading to any gender, racial, ethnic, religious, age, handicap or other group listed above; and verbal abuse or insults about or directed at any employee, or group of employees because of their relationship in any of the groups listed above. Sexual harassment includes unwelcome sexual advances, requests for sexual favors, and verbal or physical conduct of a sexual nature when:

- (1) Submission to or rejection of such advances, requests or conduct is made either explicitly or implicitly a term or condition of employment or as a basis for employment decisions; or,
- (2) Such advances, requests or conduct have the purpose or effect of unreasonably interfering with an individual's work performance by creating an intimidating, hostile, humiliating or sexually offensive work environment.

C. The legal definition of sexual harassment is broad and in addition to the above examples, other sexually oriented conduct, whether it is intended or not, that is unwelcome and has the effect of creating a workplace environment that is hostile, offensive, intimidating, or humiliating to male or female workers may also constitute sexual harassment. While it is not possible to list all those additional circumstances that may constitute sexual harassment, the following are some examples of conduct which, if unwelcome, may constitute sexual harassment depending upon the totality of the circumstances including the severity of the conduct and its pervasiveness:

- 1) Verbal: sexual innuendoes, racial or sexual epithets, derogatory slurs, off- color jokes, propositions, threats or suggestive or insulting sounds;
- (2) Visual/non-verbal: derogatory posters, cartoons, or drawings; suggestive objects or pictures; graphic commentaries; leering; or obscene gestures;
- (3) Physical: unwanted physical contact including touching, interference with an individual's normal work movement or assault; and
- (4) Retaliation: making or threatening reprisals as a result of a negative response to harassment.

D. Each employee must exercise his or her good judgment to avoid engaging in conduct that may be perceived by others as harassment. Harassment can come from superiors, fellow employees, clients, visitors or vendors. Men as well as women can be victims of sexual or other harassment. It cannot be stressed enough that the Town will not tolerate any form of illegal discrimination or harassment. Violations of this policy, whether intended or not, will not be permitted. All employees should take special note that retaliation against an individual who has complained about sexual or other harassment, and retaliation against individuals for cooperating with an investigation of a sexual or other harassment complaint is unlawful and will not be tolerated by the Town.

PERSONNEL PLAN

- E. Should you feel that you are being harassed or that you have observed harassment, please follow these guidelines to help us remedy the problem. Harassment by other employees, clients or vendors should immediately be brought to the attention of your immediate supervisor, your department head or the Town Manager. These individuals are also available to discuss any questions or concerns you may have and to provide information to you about our policy on sexual or other illegal harassment and our complaint process. Do not allow an inappropriate situation to continue by not reporting it, regardless of who is creating the problem. No employee or official in this organization is exempt from this policy. If, at any point in the process, a complaining employee is dissatisfied with the investigation being conducted, the employee should bring it to the attention of the individuals listed above.
- F. Harassment investigation. When we receive a complaint of harassment, we will promptly investigate the allegation. Complaints will be kept confidential to the extent consistent with our obligation to look into and remedy any harassment. For most matters, the investigation will include an interview with the person filing the complaint, an interview with the person alleged to have committed the harassment, and to the extent necessary, interviews with co-employees or other witnesses. All employees are expected to be truthful, forthcoming and cooperative in connection with a complaint investigation. Once the investigation is complete, we will, to the extent possible, inform the person filing the complaint and the person alleged to have committed the conduct of the results of the investigation. If it is determined that inappropriate conduct occurred, we will act promptly to eliminate the offending conduct, and where it is appropriate, we will impose disciplinary action. There may be instances when, depending upon the nature of the allegations of harassment, an alleged harasser will be suspended, with pay, pending investigation. Suspension pending investigation should not be considered as a conclusion of wrongdoing.
- G. Disciplinary action. The Town of Bow will not condone, permit or tolerate harassment of employees in any manner whatsoever. Any employee or official who is found to have engaged in harassment or discrimination contrary to this policy will be subject to disciplinary action, up to and including suspension or termination, depending, among other things, on the nature of the conduct.
- H. Retaliation. The Town of Bow also prohibits any form of retaliation against any employee for filing a good faith complaint under this policy or for assisting in a complaint investigation. Anyone who is found to have engaged in such retaliation against a person who has registered a complaint under this policy or to have retaliated against anyone for assisting in the investigation of such a complaint will be subject to disciplinary action up to and including suspension or termination. Any employee who believes that he or she is being retaliated against should bring it to the attention of the Town Manager, or any department head, so that appropriate action may be taken.

- A. All Full-time employees, with the exception of Full-time Fire Department personnel, will accrue paid vacation leave at the following weekly accrual rates. - C. Full-time employees of the Fire Department will accrue paid vacation leave at the following weekly accrual rates. Since the vacation leave which is accrued during one year is expected to be taken within the next year, an employee's vacation leave accrual balance shall never exceed an amount equal to twice his/her annual accrual as indicated below.

- G. Vacation leave shall not accrue during a work week in which the employee is not in pay status (working or on paid leave) for less than the employee's regular schedule. For example, a Full-time employee, who is scheduled to work 40 hours per week but works only 16 hours before beginning an unpaid leave of absence, will accrue no vacation for that work week.
- H. Upon voluntary or involuntary termination, an employee will be compensated for all accrued vacation leave.

- B. Regular Part-time employees shall accrue sick leave at a rate based on their scheduled hours of work compared to Full-time employees, and their maximum sick leave accrual shall be determined on the same basis. For example, a part-time employee who is regularly scheduled to work 20 hours per work week will accrue sick leave at the rate of .9240 hours per work week ($1.848 \times 20/40$) and his/her maximum sick leave accrual will be 360 hours ($720 \times 20/40$).

An employee may use sick leave for family illness or injury only if the employee must provide direct care to an immediate family member. For a sick leave absence of three (3) or more consecutive workdays, an employee may be required to provide a physician's written prognosis and for a sick leave absence of seven (7) or more consecutive calendar days an employee may be required to complete an application for short-term disability insurance benefits.
- F. When an employee goes on sick leave he/she must notify his/her department head or designated supervisor immediately. Notification should be within thirty (30) minutes after the beginning of the scheduled work day. Failure to do so may result in denial of such leave pay. The employee should also let the supervisor know when he/she expects to return to work.

PERSONNEL PLAN

- G. It is the responsibility of each department head or designated supervisor to ensure the provisions of this policy are observed. Corrective action should be taken in instances of suspected abuses or misinterpretation of the utilization of sick leave. Department heads or designated supervisors will ensure that any sick leave used will be reflected with the submission of time sheets.
- H. At time of voluntary termination of employment, an employee may be entitled to receive compensation, at his/her normal base rate, of up to forty (40) hours of his/her remaining unused sick leave if the employee notifies their supervisor in writing at least two weeks in advance of their departure date and works the remaining two weeks of employment without using sick or vacation leave. Employees shall not be paid unused sick leave upon involuntary termination of employment.
- I. In the event of an employee's death, all accumulated sick leave will be paid according to NH RSA 560:20-21.
- J. Any non-exempt Full-time employee who has used no accrued sick leave during a calendar quarter shall accrue four (4) hours of compensatory time leave so long as the forty (40) hour maximum compensatory time accrual is not exceeded.

§ 136-28. Family and Medical Leave.

- A. Under the provisions of the Family and Medical Leave Act of 1993 (FMLA), all employees who have worked for the Town for at least 12 months and have worked at least 1,250 hours during the last 12 months are eligible for family and medical leave.
- B. Each qualified employee is eligible for up to 12 weeks of unpaid leave in any 12 month period. The term "any 12 month period" as used in this section shall be defined as a rolling 12 month period measured backward from the date leave use begins. Leave may be granted for:
 - (1) The birth and first year care of a child.
 - (2) The adoption or foster placement of a child in the employee's home.
 - (3) The care of a spouse, child, parent or other family member, if the employee's presence is deemed necessary by the family member's health care provider. Certification from the health care provider must be submitted and must state that the employee is needed to provide care.
 - (4) The employee's own serious health condition. Serious health condition is defined as an illness, injury, impairment or physical or mental condition that requires inpatient or continuous out-patient treatment.

- C. Requests for family and medical leave must be submitted in writing to the Town Manager at least 30 days in advance of the start of the leave. If the need for the leave was not foreseen, notice must be provided as soon as possible after the need arises. The decision concerning the request shall be made by the Town Manager. The Town also reserves the right to place an employee on family and medical leave status of its own volition if conditions warrant such leave, even if the leave is not requested by the employee.
- D. Certification by a health care provider as defined in federal law is required for any leave based on the employee's or family member's serious health condition. The Town reserves the right, at the Town's expense, to require a second or third opinion if there is a question about the certification provided by the employee's health care provider.
- E. All employees on approved family and medical leave are expected to report to the Town Manager any change in status in their need for such leave, or their readiness to return to work. Any eligible employee who returns from such leave at or before the conclusion of 12 weeks will be restored to the same position of employment as held when the leave began, or be restored to an equivalent position with equivalent benefits, pay, and other terms and conditions of employment. Employees returning from extended leave of absence must notify the Town Manager at least 10 working days in advance of their projected return to work or the end of the leave period, whichever occurs first. Employees will be allowed to return to work as soon as the Town receives certification from the employee's health care provider of the employee's ability to return to work.
- F. The employee is required to utilize available accrued sick leave, vacation leave, and compensatory time while on an FMLA leave.
- G. While the employee is in pay status, the Town will continue to pay its share of group insurance premiums and deduct the employee's share from his/her pay. Even if the employee is no longer in pay status, the Town will pay its share of group insurance premiums for a maximum period of twelve weeks and bill the employee for his/her share. After this twelve-week period, if the employee is not in pay status, he/she shall be responsible for all group insurance premiums.
- H. For an FMLA absence of seven or more consecutive calendar days an employee may be required to complete an application for short-term disability insurance benefits.

§ 136-29. Maternity leave.

Employees affected by pregnancy, childbirth or related medical conditions shall be treated in the same manner as any employee affected by any other temporary disability. After an employee has exhausted all paid leave benefits (including paid vacation time) and/or is otherwise ineligible for paid leave benefits, she is still allowed to take an unpaid leave of absence in accordance with the Family and Medical Leave Act ("FMLA"). When an employee is physically able to return to work, her original job or a comparable job will be available to her unless business necessity makes this impossible or unreasonable.

Leaves of absence may be granted under certain circumstances. The Town Manager must be informed by the department head prior to a leave of absence being taken. The following types of leaves of absence will be allowed:

Military leave. Any Full-time or part-time employee with one or more years of service who is called to perform short-term annual active duty for training as a member of the United States Armed Forces Reserve or National Guard, shall be paid as provided herein for days spent performing such duty provided the employee would not otherwise be on layoff or leave of absence. In order to receive payment, an employee must give his/her department head and the Town prior written notice of such military duty and upon his/her return to work, furnish the Town with a written statement of the military pay received for performing such duty. Town compensation shall be the difference between what the employee's wages would ordinarily have been if the employee has been on Town duty instead of military duty. Payment shall be limited to a maximum of ten (10) working days in a calendar year.

Jury duty. The Town of Bow considers it a civic duty to serve on a jury if summoned. In the event an employee is called to serve as a juror, the Town agrees to pay the employee his/her normal compensation while on jury duty. The employee shall provide to the Town a written statement of any remuneration which he/she receives in conjunction with the jury duty and shall reimburse the Town in the amount of the remuneration.

Bereavement leave. Leaves of absence with pay shall be granted to Full-time and regular part-time employees when a death occurs in the employee's immediate family (spouse, parent, child, brother, sister, mother-in-law, father-in-law, grandparent, grandchild, stepparent, or a blood relative or ward residing in the same household). Such leave will be granted for a period not to exceed three (3) days. Leave of one day with pay will be granted in the event of the death of his/her sister-in-law, brother-in-law, aunt/uncle, or niece/nephew. In extenuating circumstances, the Town Manager may extend bereavement leave.

He/she will be responsible for paying the full amount of applicable group insurance premiums and he/she will be ineligible for medical insurance waiver incentives. Unpaid leave may not be considered time in service for completing a probationary period, for step increase eligibility, or for seniority purposes.
