

NOTES:

1. Data for the Proprietors layout shown on this plan has been assembled from:

Maps by Samuel Lane Surveyor
(N.H. Historical Society)

Proprietors Records

2. Data for existing roads and boundaries taken from Property Map Town of Bow, Sewall 1912

3. The Proprietors layouts have been fitted to existing features by measurements given in records to such natural features as Three Pond and by location of certain old lines and corners still in existence. Property surveys of the following owners have contributed helpful information:

Dr. James Park
Mr. & Mrs. Richard Shaw
Mr. Walter Warner
The Village House Inc.
Mr. Harold Langley
Gallagher & Phibbrick
Mr. & Mrs. A.J. Leary
Mrs. Arthur Hall

4. Old plans and records which assisted were furnished by Mr. Richard Hanson, Mr. William Colby, Mr. Franklin Gregory and the Bow Library.

5. Names shown on the plan are those of the original allottees and, in some cases, the second and third owners of the lot.

6. THIS PLAN IS NEITHER COMPLETE NOR WHOLLY ACCURATE. ANY INFORMATION WHICH WILL CONTRIBUTE TO ITS COMPLETION OR CORRECTION WILL BE APPRECIATED BY THE COMMITTEE.

The ranges from Dunbarton northeasterly are parts of the first and second divisions of Bow made in 1733 and 1749.

Those from the Merrimack River area southwesterly are of the third division about 1767.

The 1st & 2nd Divisions shown are 160 rod wide ranges, the lots being 100 rod wide on as indicated by numbers at end of lots.
The 3rd Division consisted of 20 and 40 acre lots
