ADVERTISEMENT FOR BIDS

Sealed bids for the Construction of the NH Route 3A & Dunklee Road Intersection Improvement and Dunklee Road Bridge Rehabilitation (Bridge No. 182/113) will be received by the Town of Bow, at the office of the Town Manager, 10 Grandview Road, Bow, NH 03304, until **4:00 PM** local time on, **Tuesday, April 7, 2020**, at which time the Bids received will be publicly opened and read.

Intersection Improvement - Project No. 20966

The intersection reconstruction project includes road widening and reconstruction, new signal installation, removal and asbestos abatement of an existing house and garage, and water line and hydrant relocations. Work shall also include earthwork, paving, drainage, signs, striping, and minor items ancillary to roadway work.

Bridge Rehabilitation - Project No. 40346

The project consists of rehabilitating the existing precast concrete rigid frame units and pedestal footing units, complete removal and reconstruction of the modular block wingwalls and retaining walls (salvaging and new modular blocks with geogrid reinforcing), construction of new bridge elements (precast concrete rigid frame units, pedestal footings, and wingwall footings), resetting guardrail, earthwork, drainage, roadway work and paving.

Bids will be received for a single prime Contract. Bids shall be on a unit price basis, with additive alternate bid items as indicated in the Bid Form.

The Engineer's opinion of probable construction cost is between \$1,800,000.00 and \$2,100,000.00.

The anticipated project schedule is to start construction on or about July 1, 2020 and complete construction 210 days (Calendar Days) thereafter. The Notice of Award is expected to be issued on or about May 4, 2020. A winter shutdown (suspension of contract times) will be granted if requested by the Contractor. See Special Conditions.
