Sara H. Swenson—1993

For many years the Bow Men's Club has recognized members of the community who have extended themselves to serve the town and its citizens. This year is no exception. The person to be recognized has been a lifelong resident of Bow, educated in local schools and, with the exception of a few months, has continually been a presence in our community.

In due course she married and started a family that grew to four boys. When they started school, she began her involvement with community service. In succession she was an active member of the Bow Parent Teachers Organization, the Concord High School PTO and she was one of the founders of the Music Boosters, an organization that has contributed greatly to the music programs in the schools.

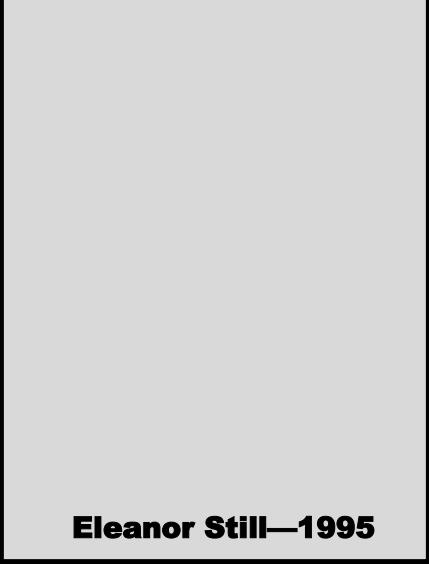

The person we are honoring tonight began her service to government in 1978 as a Supervisor of the Checklist. The following year she was elected to the Board of Selectmen and served in the capacity for 12 years. Along the way she has contributed to the work of the Sewer Commission, the Highway Safety Commission, the Planning Board, the Budget Committee and the Historical Commission where she continues to serve. In the years the town was seeking to gain a post office she was a volunteer postal clerk and provided much of the momentum to keep that project alive. She has served as ballot clerk and tonight is on duty as a Supervisor of the Checklist.

Ladies and gentlemen, I am very pleased, on behalf of the Bow Men's Club to present the 1994 Citizen of the Year Award to a person who selflessly served this community and its citizens with effectiveness and good humor. A woman who is truly a friend and good neighbor---SARA SWENSON.

Citizen of the Year Award

Sandy Crystall –2023

This year's Citizen of the Year, Sandy Crystall, was chosen for her devotion to the conservation of Bow.

Protecting all creatures' great and small, Sandy has been instrumental in protecting wetlands, conserving land for recreational use and protecting wildlife habitat in Bow for the last 23 years. She has served on the Conservation Commission for the last 15 years and has served for extended periods on the Planning Board, on the Drinking Water Protection Committee, and Bow Open Spaces.

Sandy's approach to problem solving has been exemplary. She uses data driven approaches to explore issues and bring together multiple stakeholders to find the best solutions. Her outward passion for the natural resources of Bow is contagious. Sandy's knowledge is critical to the commercial and residential development of Bow while keeping in mind the land and its natural inhabitants.

Bow residents should take pride in the abundance of natural resources in our town. It is very apparent that Sandy's numerous contributions over many years will help preserve these resources for future generations.

With great pleasure the 2024 Citizen of the Year award is presented to Sandy Crystall.

This year's Citizen of the Year was chosen for his devotion and selflessness in serving the people of Bow.

As a coach for youth sports Rich has impacted the children of Bow by teaching them not only the athletic skills to succeed in their sport, but also sportsmanship and humility.

As a former president and board member of the Bow Community Men's club, Rich has helped to raise thousands of dollars that have been donated directly to youth clubs, charities, town organizations, and Troop 75, the local Scouts of America troop in Bow. Through his leadership, more than \$10,000 in scholarships has been donated to graduating seniors of Bow High School to continue their education.

As the State Surgeon, Wellness Director, and a Colonel in the New Hampshire Army National Guard, Rich has served not only his community, but also his country. He worked tirelessly to improve medical readiness for the NH Army National Guard, and advocate for New Hampshire veterans suffering from PTSD, depression, anxiety, and substance misuse by helping to establish programs to combat behavioral and mental health issues.

Perhaps Rich's most significant contribution to the community of Bow is his dedication and expertise in his role as a Paramedic and Lieutenant with the Bow Fire Department. Seemingly always on-call, he regularly puts aside his personal life to respond to medical emergencies in Bow and the surrounding communities. He has provided emergency medical care and saved the lives of hundreds of Bow residents, some of whom are likely in this room tonight.

People who know him will tell you that he is one of the most selfless people they know. It gives me great pleasure to present Rich Oberman the 2025 Citizen of the Year Award.
